

2000KG CENTRE DISCHARGE MOBILE FEED TRAILER

Product Code

JBHCTBB/2MB

The JBHCTBB/2MB Feed out trailer is a heavy-duty trailer with 2000kg capacity. Supplied standard with a dual axle and rocker springs, this feed out trailer is perfect for trail feeding grain or manufactured feed products.

JACKY Feed Trailers can be operated by manually opening the hatch to discharge the feed, or a 12V actuator kit makes an excellent addition to allow operation from inside your vehicle.
