

JACKY® REAPER KNIFE

Product Code

JRK2

The JACKY® Reaper Knife is quick, easy and above all, the safe way to open a bulk bag.
Simply cut the bag and discharge the contents.

- Increases Safety
- Easily re-sharpened
- Suits a 25mm Ø wooden handle (not supplied).
- Compact and easy to freight

BENEFITS

Many users of bulk bags tell us that they feel unsafe when putting their arm under a suspended bulk bag to untie the chute.

Thoughtful design and quality materials ensure that the Reaper Knife will be a worthwhile investment.

The JACKY® Reaper Knife - another innovative product by Orion!
